Re: Living Waters Estates Plat and Master Site Plan
Plat No. P 5-1-07; Rezoning No. ZB 2-1-06; and Master Site Plan No. MSP 5-1-07

Dear Ms. Bazinet:

I am writing as a follow up to our prior conversation and the comments made at both the Site Plan Review Committee and Planning & Zoning Board meetings. It is our understanding that these applications are scheduled to be considered by the Town Council at their January 7, 2009 meeting. Please consider this letter the applicant's request that these hearings be **postponed** until the January 21, 2009 meeting of the Town Council for the re-zoning (first reading) and the February 4, 2009 meeting of the Town Council for both the Master Site Plan and Plat (as well as the second reading of the re-zoning). Such a schedule will enable both the plat and site plan to be considered by the Central Broward Water Control District prior to the Town Council's consideration of these applications and allow time for an additional public participation meeting.

Thank you in advance for your cooperation. If you required any additional information or have any questions please feel free to contact me.

Very truly yours,

ROD A. FEINER

Concurrent Request(s) on same property:

Site Plan Application (MSP 5-1-07), the petitioner requests a site plan approval for 10 residential units development.

Plat Application (P 5-1-07), the petitioner requests approval of the plat known as “Living Waters Estates”.

Applicable Codes and Ordinances

The effective Code of Ordinances governing this project is the Town of Davie Land Development Code.

Land Development Code (Section 12-305), Rezoning, Special Permits, Variances, and Vacations or Abandonment of Rights-of-Way, the purpose of this division is to guide the processing and granting of rezoning, special permits, variances and vacations or abandonment of rights-of-way in a manner consistent with the Town of Davie Comprehensive Plan, existing development and in a manner which protects the public health, safety and welfare.

Land Development Code (Section 12-24 (J)(13)), Estate Dwelling (R-1) District, the r-1 District is intended to implement the one (1) dwelling unit per acre residential classification of the Town of Davie Comprehensive Plan and to provide estate residential

areas with most of the non-commercial agricultural uses permitted providing a transition from agricultural land to residential dwelling units.

Land Development Code (Section 12-83), Conventional Single-Family Development Standards, R-1, Estate Dwelling District, requires the following minimums: lot area of 35,000 square feet, 125 feet frontage, 0.25 maximum building cover (ratio), and 35' maximum building height.

Comprehensive Plan Considerations

Planning Area:

The subject property falls within Planning Area 2. Planning Area 2 includes the westernmost section of the Town north of Orange Drive and south of SW 14 Street, and bound on the west by Interstate 75 and on the east by SW 100 Avenue. The predominant existing and planned land use is single family residential at a density of one dwelling per acre.

Broward County Land Use Plan:

The subject site falls within Flexibility Zone 113

Applicable Goals, Objectives & Policies:

Future Land Use Plan, policy 5-2: The (re)zoning, (re)platting, and site planning of land shall be in compliance with the density ranges shown on the Davie Future Land Use Plan map and the applicable Future Land Use Designation provisions as contained in the Permitted Use portion of the Implementation Section.

Future Land Use Element, Land Use Compatibility and Community Appearance, Policy 17-1: Lands designated for non-residential use shall be located in a manner, which facilitates development, but does not adversely impact existing and designated residential areas.

Future Land Use Plan, Land Use Compatibility and Community Appearance, Policy 17-2: No property within the Town shall be rezoned to a zoning district that is not in compliance with the Davie Future Land Use Plan.

Future Land Use Plan, Land Use Compatibility and Community Appearance, Policy 17-3: Each development proposal shall be reviewed with respect to its compatibility with adjacent existing and planned uses.

Application Details

The petitioner requests to rezone the approximately 10 acre site from A-1, Agricultural District, to R-1, Estate Dwelling District to allow the development of 10 custom single-family homes. According to the Land Development Code, the subject site meets the minimum requirements for the R-1, Estate Dwelling District zoning classification, as the minimum lot size required is 35,000 square feet, and a minimum lot frontage of 125 feet.

Public Participation

The public participation process provides the ability for citizens of the Town of Davie to actively participate in the Town's development procedures. The petitioner conducted meetings with the public at the Town of Davie Pioneer Room on August 7, 2007 and August 14, 2007. Attached is the petitioner's Citizen Participation Report.

Staff Analysis

The following information is staff's analysis based on the criteria established in the Town of Davie's, Land Development Code, Section 12-307(A)(1) for rezoning application. The Planning and Zoning Board shall make a recommendation upon the application to the town council, based upon its consideration of, where applicable, whether or not:

- (a) The proposed change is contrary to the adopted comprehensive plan, as amended, or any element or portion thereof;

The Town of Davie Comprehensive Plan allows 1 DU/acre residential development within the Residential 1 DU/AC future land use designation. Rezoning the site to R-1, Estate Dwelling District is compatible with the underlying land use.

- (b) The proposed change would create an isolated zoning district unrelated and incompatible with adjacent and nearby districts;

The R-1, Estate Dwelling District, is compatible with the adjacent, A-1, Agricultural District zoning designations since this district is compatible with the Residential 1 DU/AC, Future Land Use category and the proposed development of the site. The proposed R-1 zoning district will be consistent with the properties to the north and east. In addition, both R-1 and A-1 requires of 35,000 minimum lot area.

- (c) Existing zoning district boundaries are illogically drawn in relation to existing conditions on the property proposed for change;

The existing A-1, Agricultural District, boundaries are the original zoning boundaries and are logically drawn. The subject property is adjacent to R-1 (proposed zoning) to the north and east.

- (d) The proposed change will adversely affect living conditions in the neighborhood;

Rezoning the site R-1, Estate Dwelling District, to allow 10 single-family custom homes will be consistent with the properties to the north and east and is not expected to have a negative impact on the neighborhood. Single-family dwelling is a permitted use in the Residential 1 DU/AC land use category.

- (e) The proposed change will create or excessively increase automobile and vehicular traffic congestion, above that which would be

anticipated with permitted intensities or densities of the underlying land use plan designation, or otherwise affect public safety;

The traffic generated by the proposed single family residential development is expected to be essentially the same as the adjacent residential properties. The petitioner indicated (as shown on plans) that at peak hour, the maximum trip generation will be 10 trips and will not affect the public safety.

(f) The proposed change will adversely affect other property values;

Properties to the north and east are zoned R-1. Rezoning the subject site is not expected to have a negative impact on the value of the adjacent properties.

(g) The proposed change will be a deterrent to the improvement or development of other property in accord with existing regulations;

Rezoning the subject site is not expected to deter improvements to the surrounding developed properties, since all properties are required to meet existing Land Development Code.

(h) The proposed change will constitute a grant of special privilege to an individual owner as contrasted with the welfare of the general public;

Properties to the north and east are also zoned R-1. Rezoning the subject site does not give the owner a unique benefit that harms the welfare of the general public.

(i) There are substantial reasons why the property cannot be used in accord with existing zoning.

Although the property can be used as the existing A-1 zoning district, R-1 allows density closer to the maximum allowed of the Land Use Plan and future land use designation.

(j) The proposed rezoning designation is the most appropriate designation to enhance the Town's tax base given the site's location relative to the pattern of land use designations established on the future land use plan map, appropriate land use planning practice, and comprehensive plan policies directing land use location.

Rezoning the site to allow 10 units single-family lots are the most appropriate to enhance the Town's tax base.

Staff finds that the rezoning request complies with the general purpose of the proposed R-1 District. The rezoning request is in conformance with all applicable Codes and Ordinances and is consistent with the other surrounding zoning districts. Furthermore, the rezoning request can be considered compatible with the surrounding properties.

Staff Recommendation

Staff finds the application complete and suitable for transmittal to the Planning and Zoning Board and Town Council for further consideration.

Planning and Zoning Board Recommendation

At the December 10, 2008 Planning & Zoning Board meeting, Vice-Chair Stevens made a motion, seconded by Mr. Busey, to approve with the sidewalk to be placed in the manner as described by the applicant (on the properties and on the easement) and subject to staff's recommendations. In a roll call vote, the vote was as follows: Chair McLaughlin – yes; Vice-Chair Stevens – yes; Mr. Busey – yes; Mr. DeArmas – yes; Ms. Turin – yes. **(Motion carried 5-0)**

**RE: "LIVING WATERS ESTATES" LOCATED AT SW 148 AVENUE
TOWN OF DAVIE, FLORIDA**

Dear David,

Pursuant to the Town of Davie review criteria of Section 12-307 of the land development code, with this plat application we respectfully request a rezoning of the subject property from Zoning A-1 to Zoning R-1. This rezoning will be compatible with the adjacent residential communities, as they contain one dwelling unit per 35,000 square feet. The proposed change in zoning is not contrary to the adopted comprehensive plan, will not create an isolated zoning district, unrelated and incompatible with adjacent and nearby districts or adversely affect living conditions within the adjacent neighborhood.

Please see attached zoning aerial map for reference.

MEETING NOTICE

July 20, 2007

Property Owner

Re: Citizen Participation Plan for Living Waters Estates Site Plan
Project Number: ZB 2-1-06 and MSP 5-1-07

Dear Neighbor

This letter is to invite you to a citizen participation meeting relating to a proposed site plan for 10 single-family home units each unit being located on one acre of land generally located at between SW 21st Street and SW 22nd Street immediately west of SW 148th Ave. A re-zoning application changing the zoning of the parcel from A-1 to R-1 is processing concurrently with this request and has already been evaluated by Staff. Access to the homes will be from SW 148th Ave. and then a private road. A copy of the proposed site plan and a location map of the project are enclosed.

Under a Town of Davie ordinance, the Petitioner is required to hold two (2) citizen participation meetings and send notice to all property owners within 1,000 feet of the subject site prior to the Town initiating their review of the application. We have scheduled the following meetings:

First Citizen Participation Meeting

Date: August 7, 2007
Time: 5:30 p.m.
Location: Pioneer Room, Davie Town Hall Complex, 6591 Orange Drive, Davie

Second Citizen Participation Meeting:

Date: August 14, 2007
Time: 5:30 p.m.
Location: Pioneer Room, Davie Town Hall Complex, 6591 Orange Drive, Davie

If you wish to submit written comments, please send them to:

Re: Citizen Participation Report for Living Waters Estates

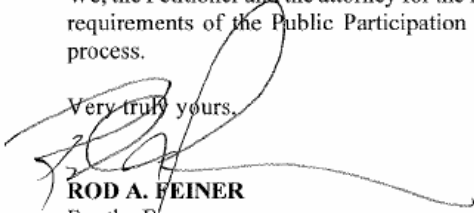

Dear Ms. Bazinet:

Please be advised that as required by the Town of Davie, Land Development Code, Chapter 12, Division 7, we, the attorney for the Petitioner and the Petitioner, advertised, notified and invited all property owners surrounding the subject property within 1,000 feet of the subject site to attend two (2) Public Participation Meetings, located at 6591 Orange Drive, Davie, Davie Town Hall Complex, Pioneer Meeting Room, held on August 7 and August 14, 2007, with each meeting starting at 5:30 p.m. The above scheduled meetings were held and one member of the public attended the meeting on August 14, 2007. A sign in sheet is attached. The following is a summary of the key issues brought up by the Town of Davie property owners.

The Owner, Jon LaCroix, wanted to know about the delay in the construction of the road on SW 148th Ave. He is the property owner to the south of the subject site and wants to use SW 148th Ave. for access once he develops his property. He was previously under the impression that the prior property owner was developing the road. He also wanted to ensure that SW 23rd Street would dead end at the property boundary, which is currently the case. After reviewing the site plan and plat, Mr. LaCroix expressed support for the project.

We, the Petitioner and the attorney for the Petitioner, hope that the above information fulfilled the requirements of the Public Participation Ordinance concerning this application for re-zoning process.

Very truly yours,

ROD A. FEINER
